## OFFER REWARD FOR MURDERER

Caledonia Council Seeks the  
Slayer of Richardson

\$500 FOR HIS CAPTURE

Pinkerton Detective Agency  
may Take Hand

Is Learned Richardson Did not Have  
Watch When Murdered—No New  
Facts of Importance.

A reward of \$500 is offered by the Caledonia council for the arrest and conviction of the murderer of Scott Richardson, whose body was found in the Whetstone river east of Caledonia, last Sunday morning. After seeing that the authorities had investigated the mysterious death without any satisfactory results, the council at its meeting Thursday night voted unanimously in favor of offering a reward. It is very probable that the case will be taken up by the Pinkerton detective agency and it is thought that some important facts will be learned in a few weeks.

It was learned Thursday morning that Richardson did not have a watch on his person when he visited Caledonia as his wife had alleged. His gold watch was found Wednesday evening under the seat of the huckster wagon which he had been driving on the Saturday previous to his murder. This development makes the case still more mysterious, as it is now very evident that he was not murdered for any valuables.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surface of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address, F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists, 75c.

## MARION HORSE TAKES SECOND

Burton Oliver Does Well in  
Kentucky Track

IN HIS FIRST SEASON

Oliver Moore to Start in the  
Circuit.

These Two Horses are Full Brothers  
—Marion Horsemen Look for Successful Season—Track Notes.

In the 2:30 pace at Cattleburg, Kentucky, Thursday afternoon, Burton Oliver, driven by W. H. Foster of this city, won second money. The horse is the property of John Felmut, of Scott Town, one of the most prominent horsemen in the county. Burton Oliver is a full brother of Oliver Moore, the speedy Coonrod and Abel trotter. This is the first season for the trotter and those who know the horse believe that he will be fully as fast as his illustrious brother and will be ready for the grand circuit next year.

Oliver Moore, the Coonrod and Abel trotter, will start in the grand circuit races at Cleveland a week from next Monday. It is expected that a number of local horsemen will go to Cleveland to see the trotter in action.

Gamey D., the W. H. Foster horse that is now being tracked in Kentucky, is sick and will be unable to start for several weeks.

## PILGRIM PREACHER TO SHIFT ACROSS SQUARE

Competition of Salvation  
Army too Strong.

Rev. Mr. McCall Discourses Thursday Night but Waits Until  
Army Has Departed.

Rev. Mr. McCall, the pilgrim preacher, who pitted his vocal organs against the bass drum of the Salvation army, Wednesday night, and who succeeded in preaching a sermon to a crowd of several hundred people while the Salvationers played only a few feet away, appeared on the courthouse square again Thursday night. He found that the Army had arrived first, however, and made no attempt to preach while their services were in progress.

After the Salvationers had taken their departure, Rev. Mr. McCall delivered one of his characteristic sermons, denouncing churches in general and taking a number of shots at the Salvation Army.

"Friday night and during the remainder of my stay in Marion, I will preach on the corner of the square opposite the courthouse," said the itinerant divine. "I don't think these people with the horns and bass drum will follow me over there."
